

PARTNERING WITH AGENTS AND THEIR INSURED

PREMIUM FINANCING IS A VALUABLE TOOL

Partnering with Agents and their Insureds, Peoples Premium Financing helps independent insurance agents make property and casualty insurance attainable for their clients. This allows you to pay your premiums in installments, thus freeing up capital allowing you to leverage your assets for other business-critical needs. More capital gives you the flexibility to invest it elsewhere, yielding a higher return than the cost of financing. Additional Benefits include:

- Credit at competitive rates
- Finance multiple insurance policies with one loan
- Keep credit lines open
- Customized Payment Plans
- Making appropriate levels of coverage affordable
- Possible Tax Advantages
