Springfield, IL. (October 2023) – The Independent Insurance Agents of Illinois (IIA of IL) presented Connor & Gallagher OneSource (CGO) of Lisle, IL, with the IIA of IL Agency of the Year Award in the large agency category during the association's annual convention held in Peoria on October 11.

The Agency of the Year Award is presented to an IIA of IL member agency that exemplifies leadership and innovation within the industry. The Agency of the Year demonstrates strong growth, innovative marketing strategies, creative utilization of evolving technology, top-level customer service, and dedication to the community.

Established in 1997 by Tom Connor and Dan Gallagher, the agency's focus has always been to provide exceptional customer service and expert consulting for their client's insurance, human resources, benefits, and retirement needs. To assist in this mission, the agency surveys its clients annually and has recently enhanced the technology in the office to benefit both clients and agency employees.

Connor & Gallagher OneSource understands that talent is the agency's most important asset, employing over 100 full-time professionals. Agency employees enjoy flexible work schedules, a robust benefits package, professional development opportunities, and the opportunity to volunteer with organizations meaningful to them.

“We’re really excited to be honored with this award. For us, it’s a validation of the hard work that we do and the culture and team we have in place. We think we do an outstanding job for our customers, and we have great partnerships with our insurance markets. That’s all built on the foundation of our culture. We owe our culture to a great team of people that strive daily to meet our core values and deliver an outstanding customer experience” said Luke Barnett, Connor & Gallagher OneSource Managing Partner and Employee Benefits Practice Leader.
