

Peoria Civic Center Clear Bag Policy

For the safety and convenience of our guests, the Peoria Civic Center enforces a Clear Bag Policy. Each guest is permitted to carry one (1) approved bag, defined as either a clear bag measuring no more than **12" x 6" x 12"** or a clutch purse no larger than **5" x 8"**.

Diaper bags (accompanied by a young child) and medical bags will be permitted following inspection.

Clear bags must be used alone and may not contain additional bags, purses, or pouches.

Select Convention Center events may implement alternative bag policies. Guests should refer to the event details page or contact the event organizer for specific information. All guests and their belongings are subject to search. The venue does not provide storage for prohibited or confiscated items.
